Welcome to Mad World Fancy Dress Hire

We are one of the largest stockists of Fancy Dress Costumes in the South of England with well over 35,000 costumes in stock.

This is our latest list of Fancy Dress costumes.

If the costume that you require is not listed, please ask as there is a possibility that we will have it in stock.

Although we have listed most of the individual costumes, we have a large number of similar costumes in different colours, sizes and designs for hire i.e. 19 Laughing Cavaliers.

The cost of hiring these costumes ranges from £25.00 upwards and in most cases includes all the ancillary extras.

We do not require a deposit. In order to ensure that the costume is returned in the same condition as when it was hired, we will merely take down your credit card details which will act as a guarantee.

We pride ourselves on the quality of our costumes and the services that we offer:

- All our costumes are in impeccable condition and are always washed or dry cleaned after every hire.
- All our costumes are stored in transparent garment holders (which are also used to transport the costumes to and from Mad World).
- Should you require a particular personalised costume, our own in-house seamstress is available to design and manufacture a unique creation.
- No appointment is necessary.
- We are open 6 days a week from 9.30am to 7.00pm Monday to Friday and from 10.00 am until 5.00pm on Saturdays. Our late night is Thursday when we are open until 8.00pm.
- We do not close for lunch.
- We have a large selection of party fun items such as glitter, wigs, masks, streamers, coloured spray paints, make up etc.
- We accept all major credit cards and can take telephone bookings to secure any costume.

So whatever your requirements, please do not hesitate to enquire as we are sure that we can be of assistance.

**IT IS OUR INTENTION TO PROVIDE THE VERY BEST SERVICE
AND VALUE FOR MONEY AVAILABLE ANYWHERE!**

Personalised Costume Service

Have you ever wanted an original costume personalised to reflect your own personality for your next Function, Exhibition, Conference or even for that very Special Occasion?

We have a professional seamstress who can transform your ideas into reality.

Should you require a quotation or further details, please do not hesitate to contact us.

Corporate Clients

A Unique Service

On the night of the event our experienced and helpful staff will deliver the costumes in our own dedicated vans.

Your guests select the costumes of their choice, transform themselves into their chosen fantasy character and enjoy the revelry.

The following day our staff will return to collect the costumes.

Benefits:

- Saves your guests time and money by not having to visit the Fancy Dress shop to choose a costume in their own time.
- Because of economies of scale, we can hire out the costumes at a more competitive rate.
- Allows a better cross-section of costumes so that 28 Henry VIII and 24 Anne Boleyns do not turn up at the same venue.
- Eliminates the inconvenience of taking the costumes back to the shop after the event.
- Creates a much better atmosphere and is an ideal icebreaker.
- Our friendly wardrobe team can help your guests select an outfit which suits their personality and proportions perfectly.
- At the end of your event we will collect all the outfits and take them away to be cleaned.
- As one of the largest stockists of costumes in the South (well over 35,000), we are well equipped to undertake most events.
- Our staff are also trained make up artists and are available to assist at your event, should you so require.

Should you require any further information or a competitive quotation regarding the above, please do not hesitate to contact us.

Need to Promote your Product or Event?

Make a gigantic impression with our 8-foot giant!

It's huge, impressive and very, very distinctive.

It will certainly be noticed!

It's so large that we are only able to hire this particular costume out when one of our own staff is booked to wear it.

He has many uses but is particularly suitable for giving out leaflets in shopping malls, promoting the opening of a new car dealership, wandering around at a trade exhibition or even appearing at a children's party.

THE LIST IS ENDLESS BUT IF YOUR DESIRE IS TO ACHIEVE IMPACT, THEN OUR GIANT IS THE ANSWER!

We also have other costumes which can be hired out with or without our own staff which will also make a huge visual impact.

Imagine the stunning spectacle a group of large, cuddly, furry animals would make at your next family fun day, or the excitement of a real pantomime dame, complete with a pantomime horse, trudging around the town centre advertising your latest shop sale!

How about booking Henry VIII complete with all his six wives and servants in attendance for your next product launch?

The list is endless!

Last but not least, why not book our team of St Trinian girls to create havoc wherever they go!!!

Fancy Dress costumes are still considered to be one of the most cost effective methods of themeing and raising the profile of any commercial event.

You've booked the event, the venue, the staff, and you've invited all the guests. Now make a lasting impression by themeing the event and booking some of our fabulous Fancy Dress costumes, with or without our staff.

A Few Suggestions for your Fancy Dress Speciality Party Nights

Medieval Night

An upmarket night of regal splendour can be achieved with this particular event. The fabulous costumes of that era are something to behold. It seems incredible that these costumes were used for everyday wear. Be Henry VIII for a night and be the ultimate male chauvinist!

Murder Mystery Night

Dress the part! Turn your event into a special occasion. This is your opportunity to really get "into your character". You may even be a potential Mickey Spillane.

Rocky Horror Night

The ultimate cult party! The scope of costumes is particularly varied. Let your fantasy run amok! Basques, wigs, face paints, we've got the lot.

School Night

Men in short trousers,---ughh. But why not go back to your childhood and re-live your school days. School masters/mistresses – what a hoot! Other characters can also be incorporated into this one, for example Shirley Temple, naughty school boy, etc.

Rock and Roll Night

Nostalgia eat your heart out! This is one of the most popular nights we provide costumes for. With the right music, mini skirts, Teddy boy jackets, this is an event not to be missed. Oh, and don't forget the sideburns and the hula-hoops!

Bad Taste Night

Really let your hair down on this one. The more bad taste the better, and oh-boy have we got some suitable costumes! You can even indulge in some garish face paints. Scare the neighbour and the neighbourhood cats with this one!

Fairy Tale Night

A very popular night, which is particularly suitable for themeing. Dress up as your favourite fairy tale character, the beautiful belle of the ball or the nasty pirate. All will create a lasting impression.

1940's Sing-along Night

Remember the war years? This is a regular knees up evening. The era of the frock, belt, braces and curlers. A fabulous and memorable night.

60's and 70's Night

The ultimate Fancy Dress party theme! Were you ever the 'Dancing Queen' or fancied yourself as the seductive Austin Powers? The list is as endless as one's imagination. Simply choose any character from the generation that really grooved.
